

Mettle and FreeAgent

A dedicated business account plus accounting software, all for free

Why Mettle?

As a small business owner, it's important for you to have a separate bank account for your business. It makes it easier for you to organise your finances and to monitor your cash flow in real time.

If you're on the lookout for a dedicated account for your business then Mettle, the new digital business account by NatWest, could be a great option. Mettle accounts are easy to open and completely free of charge.

Why FreeAgent?

As an additional benefit of opening a Mettle account, you will gain access to FreeAgent's accounting software for free.

FreeAgent is an easy-to-use tool for managing your business finances. From creating invoices and recording expenses to tracking your time and managing your projects, FreeAgent is packed with features designed especially for small businesses.
